The meeting of June 1, 2020 was recessed for the purpose of conducting a budget workshop and answering any outstanding questions. The Clerk reviewed the proposed 2020-2021 line item budgets for the General Fund and the Water and Sewer utility. She advised the Board that they would need to consider a 2020-2021 Interim Budget that would cover expenses until the July 6th meeting where the mandatory Public Hearing would be conducted. The full budget would be considered at that time. The Interim Budget was passed on a motion made by Commissioner Lee, seconded by Commissioner Jordan with a 4 to 0 vote.

A lengthy conversation took place regarding the upcoming water treatment plant upgrade. The Beaufort County water meter hookup and the prevention of “back-flow” were discussed. The original water use agreement (1995) was reviewed as well. The Clerk will be copying the Board on the minutes from the June 9th preconstruction report conducted by NC DEQ

There being no further business, a motion was made by Commissioner Lee, seconded by Commissioner Taylor and approved with a 4 to 0 vote to adjourn the meeting.
